

AGN. NO. _____

MOTION BY SUPERVISOR DON KNABE

April 16, 2013

The Rolling Hills Country Day School (RHCDS), a private elementary school, is hosting three upcoming school events at the South Coast Botanic Garden. On April 27, 2013, RHCDS will host their annual Heyday Fundraiser; June 5, 2013, they will host their Parents Association Meeting; and on June 10, 2013, they will host their Annual Olympic Day family sports day. RHCDS has 365 students from across the South Bay. RHCDS families reside within the Fourth District and many are active within their respective communities. Without these fee waivers for the above-mentioned events, it would cause the school financial hardship. The School is requesting County assistance for these events.

I, THEREFORE MOVE, THAT the Board of Supervisors instruct the Superintendent of the South Coast Botanic Gardens to waive the parking fee of \$815 at the South Coast Botanic Gardens, excluding liability insurance, for the RHCDS' Annual Heyday event on April 27, 2013 and for their Annual Olympic Day on June 10, 2013, and for \$225, excluding the cost of liability insurance, for the use of the main hall for the Parent Association meeting on June 5, 2013. The total amount of fee waiver for all three events will be \$1,040.
